CAREER EXPERIENCE

Full-stack Developer Intern | RDL Technologies Pvt Ltd, Sahyadri Campus, Adyar, Karnataka | Mar 2024 – Sep 2024

- Contributed to the development and maintenance of a responsive Digital Check Sheet Management System using the MERN stack and MySQL.
- Implemented RESTful APIs, managed Git workflows and MySQL queries, and integrated modules.
- Utilized JWT-based authentication for secure login/signup and role-based access.
- Strengthened frontend and backend development skills through designing, coding, debugging, collaborating, and continuous learning.
- Gained hands-on experience in project management, SDD/SRS documentation, problem-solving, and mastering new tools & frameworks.

Python Flask Internship Program | Tequevia Technologies, NIT Calicut, Kanhangad, Kasaragod | Jan 2022 – Apr 2022

- Successfully completed a palliative care management system, during the period of my BSc internship.
- Built the backend with Python Flask and the frontend using HTML, CSS, and JS.
- Collaborated on creating responsive and user-friendly interfaces to enhance data accessibility and usability.

EDUCATION
